Index to volume 11

AUTHOR INDEX

A

Alterescu K: Reply to Burroughs M: You can call me Ray, or you can call me Jay, but don't call me the twelfth region, 249 (Letters)
Alterescu V: Debriding enzymes, 122 (Drugs: Actions and reactions)
—: Diablerie, 207 (Editorial)
—: Freedom and responsibility, 167 (Editorial)
—: Increasing dividends, 47 (Editorial)
—: Reply to Dugan S: Pieces of "ate," 203 (Letters)
—: Simple illusions and complicated truths, 91 (Editorial)
—: Tautological twaddle, 135 (Editorial)
—: The myth of individualism, 3 (Editorial)
Aylesworth P: Response to IAET Educational Assessment Symposium, 86 (Letters)

B

Benz DC: IAET dues and don'ts, 132 (Letters)
Bradford JY: Review of *Contemporary Nursing Management*, 42 (In review)
Broadwell DC: 133, (President's message)
—: A time of change, 205 (President's message)
—: An IAET progress report, 89 (President's message)
—: ET nursing: The profession, 1 (President's message)
—: IAET business report, 165 (President's message)
—: National Organization Liaison Forum, 45 (President's message)
—: Study guide for ostomy products, 74 (Product report)
Bryant R: *See* Irrgang and Bryant, 211
Burroughs M: You can call me Ray, or you can call me Jay, but don't call me the twelfth region, 249 (Letters)

C

Colberg J: The United Ostomy Association registry form, 44 (Letters)
Colwell JC: Karaya sensitivity, 159 (Case notes)

D

Danielson S: *See* Lingner et al., 147
D'Orazio M: The focus of enterostomal therapy, 5 (Editorial)
Droz F: Reply to Benz: IAET dues and don'ts, 132 (Letters)
Dudas S: Rehabilitation concepts of nursing, 6 (Continuing education program)
Dugan S: Pieces of "ate," 203 (Letters)
Dunavant MK: The legal ramifications of specialty nursing, 96

F

Faller N: Commendations, 163 (Letters)
Fazio VW: *See* McLeod and Fazio, 140
Fitzgerald J: Customizing reusable stoma plates, 196 (Case notes)
Fowler E, Goupil D: Comparison of the wet-to-dry dressing and a copolymer starch in management of debrided pressure sores, 22
Frederickson KC: Using an evaluation model to generate questions for ET nurse education, 183
Fullerton JT: Certification: Consideration for the 1980s, 137

G

Gillen PB: Response to IAET Educational Assessment Symposium, 86 (Letters)
Gillies DA: Body image changes following illness and injury, 186
Gill-Thompson NN: Levels of ET nursing education, 203 (Letters)
Goupil D: *See* Fowler and Goupil, 22
Gray F: Ostomy manual, 132 (Letters)

H

Hall MM: Review of *Power and Influence: A Source Book for Nurses*, 202 (In review)
Harrison E: Necrotizing enterocolitis, 233
Hawke G, Williams S: Splinting as an aid in pediatric ostomy care, 127 (Case notes)
Hottenstein P: Plumbing aplomb, 249 (Letters)
—: Stoma care in Great Britain, 150

January/February, pp. 1-44; March/April, pp. 45-88; May/June, pp. 89-132; July/August, pp. 133-164; September/October, pp. 165-204; November/December, pp. 205-260.

I

Irrgang S, Bryant R: Management of the enterocutaneous fistula, 211 (Continuing education program)

J

Jackson BS: Justifying your position as an ET nurse, 170
Jeter KF: Exhilarating rationales, 44 (Letters)
Johnson DE: *See* Smith and Johnson, 35

K

Katurakes NC: Review of *Cancer Rehabilitation*, 247 (In review)
Kemp MG: Clarifying the issue of baccalaureate education, 210 (Editorial)
Kimmins CS: Alternatives in ET education: Responses of Professional Education Program directors, 169 (Editorial)
Klopp A: Considering alternatives: A form of adaptation, 49 (Editorial)
—: Specialty practice and generic goals: A case for collaboration, 19
Knight K: Review of *Pressure Sores: A Management Approach*, 84 (In review)
Kodner IJ: Response to IAET Educational Assessment Symposium, 87 (Letters)
Kowalski MA: Review of *Gastrointestinal Care: A Guide for Patient Education*, 42 (In review)

L

Langford RW: Review of *Caring: An Essential Human Need*, 247 (In review)
Lenneberg ES: Aging persons' quest for homeostasis: Physiologic, psychologic, and social facets, 106
Lingner C, Rolstad BS, Wetherill K, Danielson S: Clinical trial of a moisture vapor–permeable dressing on superficial pressure sores, 147

M

Maslov A: Preparing for the changing environment in health care delivery, 50
May H: A fond farewell, 163 (Letters)
—: Response to IAET Educational Assessment Symposium 86 (Letters)
McClees N: A method of pouching a paracentesis or incision and drainage site prior to the procedure, 198 (Case notes)
McLeod RS, Fazio VW: The continent ileostomy: An acceptable alternative, 140
Metz G: Medical management of inflammatory bowel disease, 114
Moore L: Conducting clinical trials, 229
Motta G: Osteoporosis, 177

N

North A: Creams, 40 (Product report)

O

O'Connor E: Bile tubes: One method of management, 240 (Case notes)
O'Malley V: *See* Postier, O'Malley, and Pruitt, 237
O'Sullivan P: Review of *Elements of Research in Nursing*, 162 (In review)

P

Panzau KT: Reply to Jeter: Exhilarating rationales, 44 (Letters)
Pauly HM: Have we forgotten the ET nonnurse ostomate? 43 (Letters)
—: The beat goes on, 163 (Letters)
Postier RG, O'Malley V, Pruitt L: Continence-preserving operations for ulcerative colitis and multiple polyposis, 237
Pressel P: The continent urostomy: An interview with Drs. Joseph Kaufman and Alex Gerber, 152
Pruitt L: *See* Postier, O'Malley, and Pruitt, 237

R

Reardon M: Review of *Burnout in the Nursing Profession*, 83 (In review)
Rolstad BS: *See* Lingner et al., 147
Rothstein MS: Correction to Rothstein: Guidelines for the use of topical medications (J ENTEROSTOM THER **10**:203, 1983), 87 (Letters)

S

Schover LR: Review of *Urology and Psychosocial Aspects of Chronic, Critical, and Terminal Illness*, 202 (In review)
Smith DB: Abdominal fistulas, 116 (Clinical rounds)
—: Reusable appliances, 71 (Clinical rounds)
—, Johnson DE: Stoma complications, 35 (Clinical rounds)
Sommers MS: *See* Vulhop, Sommers, and Wolverton, 59
Storey VM: Retained mucocutaneous absorbable suture material, 41 (Case notes)

T

Tolch M: Adaptation for stabilizing a gastrostomy tube, 132 (Letters)
—: Use of hydrocolloid dressing as a perianal skin barrier for children, 163 (Letters)
Trelford JD, Williams CF: Pelvic exenterations, 55
Tudhope M: Commendations, 163 (Letters)
—: Management of pressure ulcers with a hydrocolloid occlusive dressing: Results in twenty-three patients, 102

V

Vis B: Blenderized papaya, 250 (Letters)
Vulhop L, Sommers MS, Wolverton C: Containment of fecal incontinence by the use of a perianal pouch, 59

W

Watson PG: Classifying variables for research purposes, 154 (On conducting research)
—: Definition of terms, 242 (On conducting research)
—: Formulating a research question, 125 (On conducting research)
Wetherill K: *See* Lingner et al., 147
Williams CF: *See* Trelford and Williams, 55
Williams S: Recognizing peristomal pyoderma gangrenosum, 77 (Case notes)

—: *See* Hawke and Williams, 127
Wolverton C: *See* Vulhop, Sommers, and Wolverton, 59

Y

Young C: Ascorbic acid, 157 (Drugs: Actions and reactions)
—: Correction to Young: Antidiarrheals (J ENTEROSTOM THER **10:**227-228, 1983), 164 (Letters)
—: Topical corticosteroids, 245 (Drugs: Actions and reactions)

Z

Zink M: Double-lumen vs. single-lumen catheterization of ileal/colon conduits, 190 (Clinical rounds)
Zungolo E: Trends in nursing education, 93

SUBJECT INDEX

A

Abdominal fistulas
Abdominal fistula (Smith), 116 (Clinical rounds)
Absorption dressing(s)
Comparison of the wet-to-dry dressing and copolymer starch in the management of debrided pressure sores (Fowler and Goupil), 22
Exhilarating rationales (Jetter), 44; reply (Panzau), 44 (Letters)
Aging
Aging persons' quest for homeostasis: Physiologic, psychologic, and social facets (Lenneberg), 107
American Nurses' Association
National Organization Liaison Forum (Broadwell), 45 (President's message)
Appliances
Reusable appliances (Smith), 71 (Clinical rounds)
Ascorbic acid
Ascorbic acid (Young), 157 (Drugs: Actions and reactions)

B

Baccalaureate education
Clarifying the issue of baccalaureate education (Kemp), 210 (Editorial)
ET nursing: The profession (Broadwell), 1 (President's message)
Levels of ET nursing education (Gill-Thompson), 203 (Letters)
Professional issues (Alterescu), 47 (Editorial)
Responses to IAET Educational Assessment Symposium (Gillen), 86; (Aylesworth), 86; (May), 86; (Kodner), 87 (Letters)
The beat goes on (Pauly), 163 (Letters)
Trends in nursing education (Zungolo), 93
Bile tubes
Bile tubes: One method of management (O'Connor), 240 (Case notes)
Body image
Body image changes following illness and injury (Gillies), 186
Book reviews
Burnout in the Nursing Profession (reviewed by Reardon), 83
Cancer Rehabilitation (reviewed by Katurakes), 247
Caring: An Essential Human Need (reviewed by Langford), 247
Contemporary Nursing Management (reviewed by Bradford), 42
Elements of Research in Nursing (reviewed by O'Sullivan), 162
Gastrointestinal Care: A Guide for Patient Education (reviewed by Kowalski), 42
Power and Influence: A Source Book for Nurses (reviewed by Hall), 202
Pressure sores: A Management Approach (reviewed by Knight), 84
Urology and Psychosocial Aspects of Chronic, Critical, and Terminal Illness (reviewed by Schover), 202
Bone loss
Osteoporosis (Motta), 177
Bowel disease
Medical management of inflammatory bowel disease (Metz), 114
The continent ileostomy: An acceptable alternative (McLeod and Fazio), 140

C

Calcium
Osteoporosis (Motta), 177
Canadian Association for Enterostomal Therapy
You can call me Ray, or you can call me Jay, but don't call me the twelfth region (Burroughs) 249; reply (K. Alterescu), 249 (Letters)
Catheterization
Double-lumen vs. single-lumen catheterization of ileal/colon conduits (Zink), 190 (Clinical rounds)
Certification
Certification: Consideration for the 1980s (Fullerton), 137
Considering alternatives: A form of adaptation (Klopp), 49 (Editorial)
Specialty practice and generic goals: A case for collaboration (Klopp), 19
Trends in nursing education (Zungolo), 93
Clinical nurse specialists
Specialty practice and generic goals: A case for collaboration (Klopp), 19
Clinical trials
Conducting clinical trials (Moore), 229
Colon conduit
Double-lumen vs. single-lumen catheterization of ileal/colon conduits (Zink), 190 (Clinical rounds)
Colostomy irrigation
Plumbing aplomb (Hottenstein), 249 (Letters)
Copolymer starch
Comparison of the wet-to-dry dressing and a copolymer starch in the management of debrided pressure sores (Fowler and Goupil), 22
Corticosteroids
Topical corticosteroids (Young), 245 (Drugs: Actions and reactions)
Cost effectiveness
Justifying your position as an ET nurse (Jackson), 170
Creams
Creams (North), 40 (Product report)
Crohn's disease
Medical management of inflammatory bowel disease (Metz), 114

January/February, pp. 1-44; March/April, pp. 45-88; May/June, pp. 89-132; July/August, pp. 133-164; September/October, pp. 165-204; November/December, pp. 205-260.

D

Debridement
Blenderized papaya (Vis), 250 (Letters)
Debriding enzymes (Alterescu), 122 (Drugs: Actions and reactions)
Diagnosis-related groups
Preparing for the changing environment in health care delivery (Maslow), 50
Diarrhea
Containment of fecal incontinence by the use of a perianal pouch (Vulhop et al.), 59
Disability
Rehabilitation concepts of nursing (Dudas), 6
Documentation
Justifying your position as an ET nurse (Jackson), 170
Dressing(s)
Clinical trial of a moisture vapor–permeable dressing on superficial pressure sores (Lingner et al.), 147
Comparison of the wet-to-dry dressing and a copolymer starch in the management of debrided pressure sores (Fowler and Goupil), 22
Exhilarating rationales (Jeter), 44; reply (Panzau) 44 (Letters)
Management of pressure ulcers with a hydrocolloid occlusive dressing: Results in twenty-three patients (Tudhope), 102
Use of hydrocolloid dressing as a perianal skin barrier for children (Tolch), 163 (Letters)
Drainage site
A method of pouching a paracentesis or incision and drainage site prior to the procedure (McClees), 198 (Case notes)

E

Enterocolitis
Necrotizing enterocolitis (Harrison), 233
Enterocutaneous fistula
Management of the enterocutaneous fistula (Irrgang and Bryant), 211
Enzymatic debridement
Debriding enzymes (Alterescu), 122 (Drugs: Actions and reactions)
Epithelialization
Blenderized papaya (Vis), 250 (Letters)
Clinical trial of a moisture vapor–permeable dressing on superficial pressure sores (Lingner et al.), 147
Comparison of the wet-to-dry dressing and a copolymer starch in the management of debrided pressure sores (Fowler and Goupil), 22
Management of pressure ulcers with a hydrocolloid occlusive dressing: Results in twenty-three patients (Tudhope), 102
Estrogen
Osteoporosis (Motta), 177
ET education
Alternatives in ET education: Responses of Professional Education Program directors (Kimmins), 169
Certification: Consideration for the 1980s (Fullerton), 137
Clarifying the issue of baccalaureate education (Kemp), 210 (Editorial)
Considering alternatives: A form of adaptation (Klopp), 49 (Editorial)
ET nursing: The profession (Broadwell), 1 (President's message)
Have we forgotten the ET nonnurse ostomate? (Pauly) 44 (Letters)
Increasing dividends (Alterescu), 47 (Editorial)
Levels of ET nursing education (Gill-Thompson), 203 (Letters)
Responses to IAET Educational Assessment Symposium (Gillen), 86; (Aylesworth), 86; (May), 86; (Kodner), 87 (Letters)
The beat goes on (Pauly), 163 (Letters)
Trends in nursing education (Zungolo), 93
Using an evaluation model to generate questions for ET nurse education (Frederickson), 183
ET nursing
Justifying your position as an ET nurse (Jackson), 170
Specialty practice and generic goals: A case for collaboration (Klopp), 19
Stoma care in Great Britain (Hottenstein), 150
The focus of enterostomal therapy (D'Orazio), 5 (Editorial)
Exenteration
Pelvic exenterations (Trelford and Williams), 55

F

Faceplate
Customizing reusable stoma plates (Fitzgerald), 196 (Case notes)
Fecal incontinence
Containment of fecal incontinence by the use of a perianal pouch (Vulhop et al.), 59
Fistula(s)
Abdominal fistulas (Smith), 116 (Clinical rounds)
Management of the enterocutaneous fistula (Irrgang and Bryant), 211
Freedom
Freedom and responsibility (Alterescu), 167 (Editorial)

G

Gastrostomy tube
Adaptation for stabilizing a gastrostomy tube (Tolch), 132 (Letters)

H

Health care
Preparing for the changing environment in health care delivery (Maslow), 50
Tautological twaddle (Alterescu), 135 (Editorial)
Homeostasis
Aging persons' quest for homeostasis: Physiologic, psychologic, and social facets (Lenneberg), 107

Hydrocolloid dressing(s)
Management of pressure ulcers with a hydrocolloid occlusive dressing: Results in twenty-three patients (Tudhope), 102
Use of hydrocolloid dressing as a perianal skin barrier for children (Tolch), 163 (Letters)

I

Ileal conduit
Double-lumen vs. single-lumen catheterization of ileal/colon conduits (Zink), 190 (Clinical rounds)
Ileostomy
The continent ileostomy: An acceptable alternative (McLeod and Fazio), 140
Illusions
Simple illusions and complicated truths (Alterescu), 91 (Editorial)
Images
Simple illusions and complicated truths (Alterescu), 91 (Editorial)
Incision site
A method of pouching a paracentesis or incision and drainage site prior to the procedure (McClees), 198 (Case notes)
Individualism
The myth of individualism (Alterescu), 3 (Editorial)
International Association for Enterostomal Therapy
A fond farewell (May), 163 (Letters)
Alternatives in ET education: Responses of Professional Education Program directors (Kimmins), 169 (Editorial)
An IAET progress report (Broadwell), 89 (President's message)
Annual conference (Broadwell), 133 (President's message)
Business report (Broadwell), 165 (President's message)
Clarifying the issue of baccalaureate education (Kemp), 210 (Editorial)
Considering alternatives: A form of adaptation (Klopp), 49 (Editorial)
ET nursing: The profession (Broadwell), 1 (President's message)
Have we forgotten the ET nonnurse ostomate? (Pauly), 44 (Letters)
IAET dues and don'ts (Benz), 132; reply (Droz), 132 (Letters)
Levels of ET nursing education (Gill-Thompson), 203 (Letters)
National Organization Liaison Forum (Broadwell), 45 (President's message)
Professional issues (Alterescu), 47 (Editorial)
Responses to IAET Educational Assessment Symposium (Gillen), 86; (Aylesworth), 86; (May), 86; (Kodner), 87 (Letters)
The beat goes on (Pauly), 163 (Letters)
Trends in nursing education (Zungolo), 93
International Association for Enterostomal Therapy Strategic Planning Report
Part VII, 26
Part VIII, 63

J

Journal of Enterostomal Therapy
A time of change (Broadwell), 205 (President's message)
Diablerie (Alterescu), 207 (Editorial)

K

Karaya
Karaya sensitivity (Colwell), 159 (Case notes)
Kock pouch
The continent ileostomy: An acceptable alternative (McLeod and Fazio), 140

L

Law, nursing
The legal ramifications of specialty nursing (Dunavant), 96
Literature
Current, 80, 130, 160, 199

M

Malpractice
The legal ramifications of specialty nursing (Dunavant), 96
Menopause
Osteoporosis (Motta), 177
Moisture vapor–permeable dressing
Clinical trial of a moisture vapor–permeable dressing on superficial pressure sores (Lingner et al.), 147
Multiple polyposis
Continence-preserving operations for ulcerative colitis and multiple polyposis (Postier et al.), 237

N

National Organization Liaison Forum
National Organization Liaison Forum (Broadwell), 45 (President's message)
Necrotizing enterocolitis
Necrotizing enterocolitis (Harrison), 233
Nursing education (*see also* ET education)
Trends in nursing education (Zungolo), 93
Nursing process
Rehabilitation concepts of nursing (Dudas), 6

O

Osteoporosis
Osteoporosis (Motta), 177
Ostomy appliances
Reusable appliances (Smith), 71 (Clinical rounds)
Ostomy care
Splinting as an aid in pediatric ostomy care (Hawke and Williams), 127 (Case notes)
Ostomy manual
Ostomy manual (Gray), 132 (Letters)
Ostomy/ostomate
Pieces of "ate" (Dugan), 203; reply (Alterescu), 203 (Letters)
Ostomy products
Study guide for ostomy products (Broadwell), 74 (Product report)

P

Papaya
Blenderized papaya (Vis), 250
Paracentesis
A method of pouching a paracentesis or incision and drainage site prior to the procedure (McClees), 198 (Case notes)
Pediatric patients
Necrotizing enterocolitis (Harrison), 233
Splinting as an aid in pediatric ostomy care (Hawke and Williams), 127 (Case notes)
Use of hydrocolloid dressing as a perianal skin barrier for children (Tolch), 163 (Letters)
Pelvic exenterations
Pelvic exenterations (Trelford and Williams), 55
Perianal pouch
Containment of fecal incontinence by the use of a perianal pouch (Vulhop et al.), 59
Peristomal lesions
Recognizing peristomal pyoderma gangrenosum (Williams), 77 (Case notes)
Pouching
A method of pouching a paracentesis or incision and drainage site prior to the procedure (McClees), 198 (Case notes)
Abdominal fistulas (Smith), 116 (Clinical rounds)
Containment of fecal incontinence by the use of a perianal pouch (Vulhop et al.), 59
Reusable appliances (Smith), 71 (Clinical rounds)
Splinting as an aid in pediatric ostomy care (Hawke and Williams), 127 (Case notes)
Pressure ulcers
Blenderized papaya (Vis), 250 (Letters)
Clinical trial of a moisture vapor–permeable dressing on superficial pressure sores (Lingner et al.), 147
Comparison of the wet-to-dry dressing and a copolymer starch in the management of debrided pressure sores (Fowler and Goupil), 22
Management of pressure ulcers with a hydrocolloid occlusive dressing: Results in twenty-three patients (Tudhope), 102
Prevention
Stoma complications (Smith and Johnson), 35 (Clinical rounds)
Product evaluation
Conducting clinical trials (Moore), 229
Professional issues
Certification: Consideration for the 1980s (Fullerton), 137
Clarifying the issue of baccalaureate education (Kemp), 210 (Editorial)
Considering alternatives: A form of adaptation (Klopp), 49 (Editorial)
ET nursing: The profession (Broadwell), 1 (President's message)
Have we forgotten the ET nonnurse ostomate? (Pauly), 44 (Letters)
IAET Strategic Planning Report: Part VII, 26; Part VIII, 63
Increasing dividends (Alterescu), 47 (Editorial)
Justifying your position as an ET nurse (Jackson), 170
Levels of ET nursing education (Gill-Thompson), 203 (Letters)
Preparing for the changing environment in health care delivery (Maslow), 50
Responses to IAET Educational Assessment Symposium (Gillen), 86; (Aylesworth), 86; (May), 86; (Kodner), 87 (Letters)
Tautological twaddle (Alterescu), 135 (Editorial)
The beat goes on (Pauly), 163 (Letters)
The focus of enterostomal therapy (D'Orazio), 5 (Editorial)
Proteolytic enzymes
Debriding enzymes (Alterescu), 122 (Drugs: Actions and reactions)
Pyoderma gangrenosum
Recognizing peristomal pyoderma gangrenosum (Williams), 77 (Case notes)

R

Rehabilitation
Rehabilitation concepts of nursing (Dudas), 6
Research
Definition of terms (Watson), 242 (On conducting research)
Classifying variables for research purposes (Watson), 154 (On conducting research)
Conducting clinical trials (Moore), 229
Formulating a research question (Watson), 125 (On conducting research)
Justifying your position as an ET nurse (Jackson), 170
Responsibility
Responsibility (Alterescu), 167 (Editorial)

S

Self-esteem
Body image changes following illness and injury (Gillies), 186
Sensitivity
Karaya sensitivity (Colwell), 159 (Case notes)
Skin care
Creams (North), 40 (Product report)
Specialization
Specialty practice and generic goals: A case for collaboration (Klopp), 19
The focus of enterostomal therapy (D'Orazio), 5 (Editorial)
The legal ramification of specialty nursing (Dunavant), 96
Splinting
Splinting as an aid in pediatric ostomy care (Hawke and Williams), 127 (Case notes)
Stoma care
Stoma care in Great Britain (Hottenstein), 150
Stoma complications
Recognizing peristomal pyoderma gangrenosum (Williams), 77 (Case notes)
Retained mucocutaneous absorbable suture material (Storey), 41 (Case notes)
Stoma complications (Smith and Johnson), 35 (Clinical rounds)

Strategic Planning Report (*see* International Association for Enterostomal Therapy Strategic Planning Report)
Stress
Aging persons' quest for homeostasis: Physiologic, psychologic, and social facets (Lenneberg), 107
Suture material
Retained mucocutaneous absorbable suture material (Storey), 41 (Case notes)

U

Ulcerative colitis
Continence-preserving operations for ulcerative colitis and multiple polyposis (Postier et al.), 237
Medical management of inflammatory bowel disease (Metz), 114
The continent ileostomy: An acceptable alternative (McLeod and Fazio), 140
United Ostomy Association
The United Ostomy Association registry form (Colberg), 44 (Letters)
Urinary tract infection
Double-lumen vs. single-lumen catheterization of ileal/colon conduits (Zink), 190 (Clinical rounds)
Urostomy
The continent urostomy (Pressel), 152

V

Vitamin C
Ascorbic acid (Young), 157 (Drugs: Actions and reactions)
Vitamin D
Osteoporosis (Motta), 177

W

Wet-to-dry dressing
Comparison of the wet-to-dry dressing and a copolymer starch in the management of debrided pressure sores (Fowler and Goupil), 22
World Council of Enterostomal Therapists
A fond farewell (May), 163 (Letters)
Wound Management
Blenderized papaya (Vis), 250 (Letters)
Clinical trial of a moisture vapor–permeable dressing on superficial pressure sores (Lingner et al.), 147
Comparison of the wet-to-dry dressing and a copolymer starch in the management of debrided pressure sores (Fowler and Goupil), 22
Debriding enzymes (Alterescu), 122 (Drugs: Actions and reactions
Management of pressure ulcers with a hydrucolloid occlusive dressing: Results in twenty-three patients (Tudhope), 102
